About Me

I'm majoring in **Web Design** and **Social Media Specialist**. As a **Website Designer**, my objective is to make a positive impact on clients, co-workers, and Internet users using my skills and idea to design attractive websites. As a **Social Media Specialist**, I am a creative and well-rounded Social Media Specialist with an excellent eye for detail and a strong understanding of web strategies. I am also able to do copywriting and brand management. I'm also curious, leading me to freelance and be involved in various projects such as making a promotional poster for a tuition center and also video editing.
